

16 Lines 4D Green Laser Level

G9500 Series - G9507

Standard Accessories

- Instruction manual
- Bracket with back clip
- Wall charger UK type
- USB-C charging cable
- 2 x 2.6mAh batteries
- Remote control
- Eye glasses
- Target plate
- Hard carry case

Specifications	Range
Laser type	Green laser
Laser lines	16 lines
Laser class	2
Laser wavelength	510-520nm
Horizontal/Vertical accuracy	±3mm/10m
Leveling	Automatic/Manual
Self-leveling time	≤3s
Leveling/Compensation range	4°(±1°)
Distance from wall	13mm
Distance from ground	13mm
Reference working distance (line)	30m
Power source	12V-2600mAh Lithium battery pack
Reference operation time (default test with all lasers on)	First gear approx. 7 hours
	Second gear approx. 12 hours
	Third gear approx. 18 hours
Battery charging time	Approx. 4 hours
IP rating	IP54
Mount size	1/4" - 20 mounting thread
Operating temperature range	-20°C~+40°C
Storage temperature range	-20°C~+60°C
Size (LxWxH)	100 x 77.3 x 112mm
Net weight (weight Li-ion battery)	0.48kg
