

G9652

INSULATED HYDRAULIC CUTTING TOOL WITH FOOT PUMP

POWERFUL CUTTING FORCE

Delivers 15 tons of output force, ensuring efficient and reliable cutting for industrial applications

HANDS-FREE OPERATION

Equipped with a foot pump for enhanced user convenience and control during operation

Output Force

15T

Cutting Capacity

Ø132mm OD

Cu/Al

ACSR

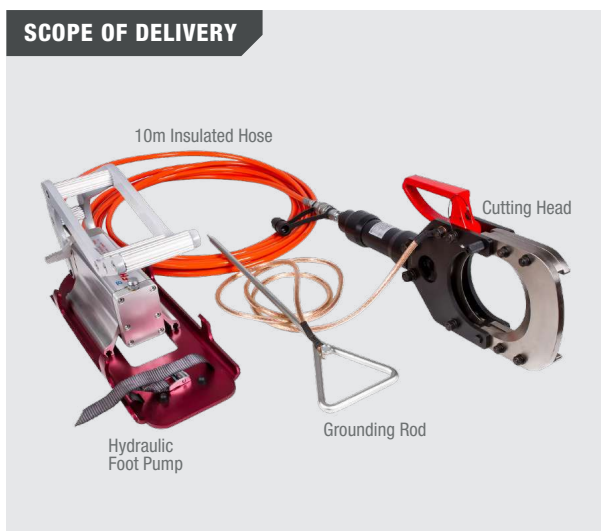

Heavy Armored

Steel Bar

SCOPE OF DELIVERY

SPECIFICATION

Output Force	15t
Rated Pressure	700bar
Cutting Capacity	Max: Ø132mm OD
Net Weight	27.5kg
Packing	Steel Case
